PIT CREW CHALLENGE

HOW FAST
& FIRED UP
IS YOUR
TEAM?

Tighten Up Your Teamwork

The **Pit Crew Challenge** puts your team in a NASCAR-style pit crew simulation to experience teamwork excellence in action through the Continuous Improvement method.

After the simulation, your team will apply what they learned to a project of your choosing. In this follow-up session, they'll practice the **teamwork and improvement principles** and apply.

REFUEL YOUR TEAM'S MORALE

The **Pit Crew Challenge** increases your team's communication and collaboration skills in 3 steps.

1. LEARN

Learn how to complete the tasks of a pit crew simulation with a Continuous Improvement mindset.

2. REITERATE

Using the Continuous Improvement method, your team will assess its performance and set new goals to beat its Pit Crew times.

3. WIN

You will take back to your workplace improved team processes with better communication skills and a commitment to consistent progress.

PIT CREW ROI

- Improve team morale, alignment, and engagement.
- Learn the value of clear communication and teamwork.
- Renew your sense of leadership.
- Eliminate waste and non-value activities.
- Clarify personal role as a teammate.
- Develop incremental and continuous positive change.

THE NUMBERS SPEAK FOR THEMSELVES

From the first pit change to the last, teams shave an average of **35 seconds off** of their times!
